Well another month has passed; where does the time go ?

Denise & I have just returned from New Zealand and part of our trip was to the Burt Monro [Worlds Fastest Indian] Challenge in Invercargill at the tip of the South Island.

What a fantastic event. Beach races around bollards with half a mile in between bollards [1 mile = 1 lap] and the main event was a 50 lap final. Also street races, a hillclimb at Bluff and conventional races at Teretonga Park circuit; all events were for motorcycles of all ages.

One guy we spoke to came down from Coromandel in the North Island [took him 4 days] with a home made motor cycle with a 1500cc VW engine made into a V4 configuration coupled to a BMW gearbox with chain drive to the rear wheel. An amazing piece of engineering. He asked us if there were any tablets you could buy to stop you doing dumb stuff, like building crazy bikes.

We had planned to go to Napier, the Art Deco town, but the Cyclone put paid to that so we stayed in Wellington for two nights and whilst having dinner at the Wharf Restaurant we experienced a 6.1 magnitude earthquake. The earth really did move for us. Pretty scary.

On the home front we have had the Michael Livingstone run to Jugiong celebrating the club's 43rd birthday on the 5th February with Gwen Livingstone and John Collins cutting the lovely cake to celebrate. Other clubs in attendance were the Riverina VW club , the Yass Antique Motor Club, the Gundagai Antique Motor Club, Temora Antique Motor Club and Young Heritage Motor Club.

The morning tea run on the 25th February to Hibernia Cafe at Stockinbingal was cancelled at the last minute .

I went to the TAFE last Wednesday to have the Morgan checked out for no horn working. Graeme Snape duly diagnosed a broken wire between switch and horn itself. So a weekend fix will occur shortly.

What a superb facility the CAMC has the use of. Please talk to other members about this as not all members are aware of just what is on offer. Wheel alignment, wheel balancing , engine diagnostics etc. I know of no other club that has this facility available to members for so little money.

See you on the road,

Regards,

Jeff

PS. John Milnes recently advised that he would no longer be able to act as our Webmaster. On behalf of all members, I thank John for his work on our Website over many years. Most importantly, we send both John and Sylvia our best wishes with their health challenges, and hope to see them back soon.

CAMC 43RD BIRTHDAY / MICHAEL LIVINGSTONE MEMORIAL RUN Sunday 5th February

The first Birthday Run was to the Shirley Hotel *[Bethunga]*. Now we take our cars to Jugiong.

We remember Michael and Gwen Livingstone who were the founders of our Club and put it on the map by holding many rallies. Michael passed away in 2006.

At Jugiong Park this year, about 35 old cars attended with representatives from clubs as far as Wagga, Gundagai, Yass, Temora and Young.

A tasty Birthday Cake, arranged by Linley Chaplin (thanks Lin), was cut by Member 001 (Gwen Livingstone) and Member 008 (John Collins), and distributed amongst the assembled picnickers.

Current CAMC President (Jeff Price) is Member Number 389, revealing the number of enthusiasts with restored cars who have joined the Cootamundra Club since our first Birthday.

John Collins

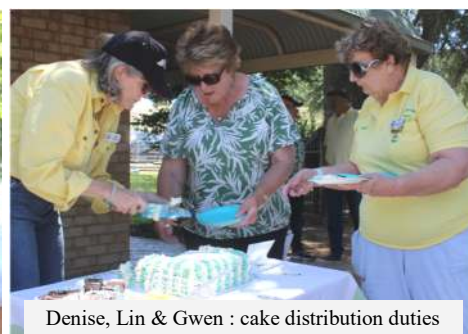

[Last number issued was 401, with two or three new members in progress. I'd love to know who member 007 was! -Ed]

Nancy Preuss & Alan Thompson. Alan always appears to be eating something healthy. Can someone please send me a picture of him eating cake? (I know he does).

Cootamundra Motor Cycle Club - Reproduction Badges

The Motorcycle group is looking at various forms of merchandising (see minutes on page 8).

One item which will definitely be made is a reproduction of the original Motorcycle Club's badge. There are already quite a number of badges pre-ordered.

All members are invited to order one, of course - they are a great looking badge (shown).

Approximate size is 26mm x 45mm and cost will be only \$20. If you would like to order one, please let [Doug Hulford](#) know: E: dougaljen@hotmail.com M: 0412 674 901 by 17th March (prior to next Motorcycle Meeting).

Motorcycle Group Event - BBQ at Peter & Clare Hunt's Residence - 9th February

Peter Hunt spent a considerable time in hospital in Melbourne recently and decided, on his return, to host a BBQ to catch up with friends "old and new" (as he put it). Jeff Price, Mal Chaplin and I were among the lucky invitees.

Peter & Clare, with the assistance of Geoff & Barbara Black and Mark Loiterton, put on a splendid spread (including scotch fillet steaks!). The weather and company were also great and I counted about 17 motorbikes and well over 20 people.

On behalf of all of us, thanks for a great event, Peter (and Clare), and best wishes for a full recovery back to your fighting weight.

LADYSMITH RAILWAY STATION - situated on the abandoned Wagga Wagga to Tumbarumba Line

Ladysmith Railway Station, with its shunting yards and goods shed were built more than 100 years ago to supply transport to and from the town of Ladysmith. All stations to Tumbarumba closed when no longer needed.

Obsolete stations disappear – like Jindalee, Demondrille, Frampton, Bethungra Illabo !

But at Ladysmith, 20 miles from Wagga, local historians have been raising money and obtaining grants to restore this station for posterity.

Saturday 11th February, 2023 - We were there for Official Opening Day . . .

Clubs like ours help Museums by supplying additional exhibits.

It was heartening to see old cars, tractors and machinery turn up on this day. Wagga clubs displayed 20 cars. Ladysmith is 100 miles from us.

Despite the distance, Cootamundra's representatives were:

Keith and Lyn Keating - 1952 AUSTIN Devon
Tim and Ting O'Keeffe - 1976 TRIUMPH Dolomite Sprint
Ken Trethewey - 1973 JAGUAR XJ6
Peter and Sue McCarthy - 1987 FORD Telstar TX5 turbo
And Joan and I went modern because this was a hot 36 degree day.

A MOTORCYCLE DISPLAY by Tarcutta Classic Vehicle Club also featured at Ladysmith. They invite you to show your cars at a Car Meet to be held at the **Tarcutta RSL grounds**: Sunday 12 March, 11:00am.

1929 Whippet, flanked by Tim's Triumph Dolomite & Peter's Ford Telstar

Dr Joe McGirr and the Deputy Mayor of Wagga Wagga officiated at the Ribbon Cutting of the inaugural ride of the fettlers' work vehicle. Note fettlers' trikes in background. Twenty years ago our Club spent a day riding these trikes when such dangerous activities were allowed. To raise funds for the restorations at Ladysmith, tickets for rides are offered at future Open Days.

John Collins

Thanks to John for words & pictures and Lyn Keating for pictures.

A SENIORS VERSION OF FACEBOOK

For those of our generation who do not and cannot comprehend why **FACEBOOK** exists: I am trying to make "friends" outside of **FACEBOOK** while trying to apply the same principles.

Therefore, every day I walk down the street and tell passers-by what I have eaten, how I feel at the moment, what I have done the night before, what I will do later and with whom.

I give them pictures of my family, my dog and of me gardening, taking things apart in the garage, watering the lawn, standing in front of landmarks, driving around town, having lunch and doing what anybody and everybody does every day. I also listen to their conversations, give them a "thumbs up" and tell them I **like** them.

You know – it works just like **FACEBOOK** !!

I already have four people following me: two police officers, a private investigator and a psychiatrist . . .

WEEKDAY RUN TO RAAF HERITAGE CENTRE

FOREST HILL (WAGGA) - MONDAY 13TH FEBRUARY

Our third attempt at this event was successful, with the following members meeting at Apex Park for a ten o'clock kick-off:

- Alan Thompson (Studebaker Lark)
- Frank O'Connor (with Alan)
- Ken Trethewey (Jaguar XJ6 S2) (previously owned by Frank O'Connor)
- Keith & Lyn Keating (Peugeot 504)
- Steve Redden ('97 Falcon XR8)
- Hugh McMinn (Armstrong Siddeley Hurricane)

We departed almost on time. Alan opted to keep the hood up on the Lark, but I decided to travel with the Hurricane's hood in the 'coupe-de-ville' position, as usual, despite expecting a warm day. Thankfully, I noticed that the heater tap was still on, and switched it off before leaving home !

We followed the original plan and stopped for morning tea at the Railway Café in Junee, always a good option, and then proceeded to the RAAF Heritage Centre in Forest Hill, arriving sometime before midday.

The Centre is well worth a visit, and is more extensive, both inside and out, than we had expected. Frank and I wondered how much the concrete and fencing of the recent upgrade had cost !

Aircraft on display include an F-111, a Mirage, a Gloster Meteor and a Canberra bomber. Being a Siddeley tragic, my favourite was the Meteor !

Having looked around inside, we had a quick look at the 'tank art' and repaired to a local 'takeaway' for a snack. I thought \$16 was a bit steep for a very average piece of fish (albeit large) and two potato scallops, so won't be rushing back.

Each party made their own various ways home. I opted to just return directly the way we came (Byrnes Road), with the white Falcon following me at a steady 90-95 km/h all the way back to Coota - thanks Steve.

Hugh McMinn

"mycco" System Update

Firstly, I would like to echo President Jeff's comments about John Milnes' efforts on behalf of the Club for so many years, not just as Webmaster, but also for the assistance he has provided to less experienced members at TAFE nights (I was one of them). Thanks again, John, and all the best - hope to see you soon.

Well, I have finished loading current members' details, as well as their vehicles, as far as I know. I need to catch-up with Alan Thompson to cross-check our lists and update any recent vehicle additions, but I think we're about 95 per cent there - of course it will never be 100 per cent.

By the time you read this, those with email access will probably have had a 'broadcast' email about the status etc.

Alan Thompson advised that this had been investigated previously but none were available. Alan indicated that we would see how this year went then reconsider.
